<TEXT>Please try to do something more creative than adding a tax, increasing a tax, or shifting a tax from one user to another.

I use my pre-paid cell phone for emergencies. I now have about 4 hours of minutes because I buy a 1-year package and I just do not use the phone on a regular basis. If people opt to have a cell phone rather than a landline, that is there choice.

Please review ALL options before settling on taxes as your solution.

Thank you for your time.

Sincerely, Virginia Bailey 6900 SW 195 #162 Beaverton, OR 97007
